

WALLINGFORD.

Mrs. Asenath Brockway, an eccentric old lady who had resided alone on the south plains for twenty years, died at 4 o'clock yesterday afternoon, aged eighty-four years. Many years ago she resided in New Haven and had for over forty years been a nurse. She had had five husbands, four of which she had procured divorces from. One has died. She had been twice married since her sixtieth birthday. Her last husband was William Keeler of this place, who died a few years ago in Newberne, N. C. For fully twenty years the deceased had had in her house a coffin and full outfit of burial clothes, which she had kept on the upper floor of her house all arranged ready for use. She was a sister of William E. Brockway, the forger, who is now in custody in New Jersey awaiting trial.

Henry Russell lost the end of his finger under a drop at R. Wallace & Sons' factory yesterday.

It is stated on good authority that Arthur Brooks of Higganum, who was in town yesterday, has sold to M. J. Butler the property on Center street opposite town, consisting of the building where A. E. Russell conducts a billiard room, and the house adjoining on the west side.

Thomas Pagnan of Colony street was confined to his house yesterday by a serious trouble with his eyes. G. K. Carrington was filling his position as clerk at J. W. Lane's store.

Reserved seats for Hoyt's "Trip to Chintown" are now on sale at Pixley's. H. W. Andrews arrived home last evening from a week's business trip in the eastern part of the state in the interest of Rogers & Hubbard's fertilizer.

Madame Schelesman of Rosemary hall will give a violin recital next Monday evening.

Rev. J. E. Wildman has received word from Rev. H. I. Bodley of Mt. Vernon stating that it will be impossible for him to be here next Sunday.

Mrs. C. A. Holmes will conduct the W. C. T. U. services at the Congregational church this afternoon at 3 o'clock.

To-day is the last chance to make out your tax list and avoid the 10 per cent. addition. The assessors will be at the selectmen's room during the day and evening.

The rain which came last evening was welcome, as the streets were very dusty.

The misfit smoker of the Ramblers at their rooms last evening was a very enjoyable affair. The costumes worn were unique and grotesque and were misfits in good earnest. Harry Williams had on an old beaver hat that was once in style, but not inside of the last 200 years, and originally covered a head fully four sizes larger than Harry's. About 9:30 there was a stir when the announcement was made to "look wild," as a young lady was coming with her companion to look in upon the smokers. There was a murmur of surprise when Burt Harriott with Harry Leighton, stylishly arrayed in a female costume representing Miss Langtry or Miss Lank, try, as some one remarked, walked into the room when after a few greetings Miss L. favored the boys with a specimen of the popular style of stage dancing and high kicking. Charlie Nearing's high hat suffered by the exhibition. A flash-light photograph of the young lady was taken by J. R. Cottrell. W. H. Taylor, Harry Williams and others helped to entertain the assemblage by their songs and other pleasantries. The affair was a jolly one and a great success.

A drunken Italian attempted to board the 3:28 train to New Haven last evening and made a failure of it and fell, catching hold of the platform of the moving car, and was dragged about fifty feet and narrowly escaped being crushed under the wheels. Officer Reilly came to the rescue and seized the Italian and pulled him out of his dangerous position. A big bottle of whiskey in his pocket was smashed, which seemed to cause the man more anxiety than his narrow escape.

THE ADJOURNED TOWN MEETING. Chairman J. R. Campbell called to order the adjourned town meeting last evening at 7:50, at which time just forty-two persons were in the hall. After the reading of the call by the town clerk D. E. Morris, one of the investigating committee, asked for a continuation for two weeks.

John M. Hall objected to the proposition, as in his opinion the committee had been given plenty of time to investigate and any further continuance was useless.

H. F. Hall wanted to have the continuance granted, and as usual aired his oratory and as usual informed the meeting that he was a taxpayer.

After considerable discussion it was voted to grant the continuance, after which H. F. Hall made a motion and upon the request of one of his followers withdrew the same.

The following motion was made: That the committee be empowered to procure the services of a legal adviser and employ the services of an expert accountant to examine the accounts, if in their opinion it is deemed necessary.

H. F. Hall offered an amendment that \$150 be appropriated for expenses of the committee.

OFFICERS AND DIRECTORS. Elected by the City Missionary Association yesterday at English Hall—Social Meeting, Supper and Annual Reports of Mission Workers Next Monday Evening at Dwight Place Church.

At the annual business meeting of the City Missionary association held yesterday afternoon at English hall, Rev. Dr. Phillips presided, and after prayer by Deacon A. E. Rowland of the Center church, the following officers were elected: President, Rev. W. L. Phillips, D. D.; vice president, Rev. J. H. Mason; secretary, C. E. P. Sanford; treasurer, Pierce N. Welch. Directors for three years, Messrs. E. B. Bowditch, Professor F. R. Honey, H. G. Newton, A. E. Rowland and D. S. Thomas. Mr. F. E. Hartshorn was elected to the board of directors for two years in place of J. F. Douglass, resigned.

The secretary's report by C. E. P. Sanford showed forty new members during the year ending September 30, making a total membership at present of 244. The treasurer's report by Pierce N. Welch gave the receipts of the year as \$215.56, the payments as \$213.31, and the balance on hand October 1, \$102.25. The financial agent of

Judge Hubbard asked of the committee if in any of their investigations anything had been discovered that showed any dishonesty on the part of the public officials, and until the meeting has had some assurance that there was some reason it was an unheard of action to appropriate any amount of money for any committee under such circumstances, when it seemed evident that as far as could be seen there was nothing on the surface except a show of wind and personal spleen.

H. F. Hall arose and made such insinuations during his remarks that Judge Hubbard felt that he was justified in answering some of the statements, which he did in a manner that was forcible and instructive, regarding the taxpaying peculiarities of the gentleman who had made the insinuations. The explanation was well given and effective.

After some rambling discussion the motion in question and amendment were adopted and the meeting adjourned for two weeks.

The remains of Betsy A. Norton, aged eighty-two years, who died in Wallingford, October 29, arrived on the 10:51 train in Naugatuck yesterday morning and were taken to Guntown for burial.

Up to a late hour yesterday afternoon the bodies of the three men who are believed to have been drowned off Bradford, had not been recovered. Arthur A. Tymeson had a sister living in South Lee, Mass., and a brother who resides in Bristol, Conn. Both have been notified of the supposed fatality.

To-day, All Saints' day, the services at St. Paul's church are the holy communion at 10 a. m. and the evening prayer, with an address, at 7:30 o'clock. The evening address will present some of the latest information concerning missions as given at the late general convention.

The C. H. Northam of the New Haven line of steamboats was taken out of commission yesterday at the New York end of the route. She will be docked at Fifth street, East river, where a set of new boilers will be put in.

The steamer Continental, which has been lying at Long wharf in this city, will take the place of the Northam.

Miss Grace Littlejohn, organist at the West Haven Congregational church, met with a painful accident Tuesday morning at her home, 64 Lake Place. In turning to go up stairs she slipped and fell, breaking her left arm at the wrist.

Dr. M. J. Adams of West Haven is investigating the statement that two Hebrews are doing a slaughtering business of diseased cattle on Congress avenue, near Orange. He is acting for Dr. C. B. Adams, agent of the Humane society.

If it's

it's the best

the association, E. M. Willis, reported 97 per cent. of all former subscribers as having made payment in response to his circular letters of request for renewal. Over \$100 has been received from Sunday schools during the past year, besides the annual offerings of fifteen churches, with promises of additional help this year from societies of Christian Endeavor. Committees were also being formed in a number of the churches to increase the membership of the association.

After a brief report by D. S. Thomas, chairman of the executive committee, as to the good condition of the work in its different departments under the care of Rev. Mr. Mossman, the general superintendent and missionary pastor, and Miss Hume, the lady missionary, Mr. Pierce N. Welch made a statement from the building committee, of which he is the chairman. The total amount subscribed to October 1 is \$16,150, of which \$12,882.58 has been paid in cash. J. C. Eastman, secretary of the building committee, referred to recent subscriptions received as a result of his efforts to secure \$10,000 previous to breaking ground for the erection of the new mission building. The building committee consists of Pierce N. Welch, John M. Peck, A. E. Rowland, John T. Sloan and Rev. W. D. Mossman. The land purchased last year has now been nearly paid for, but the committee will not advise the erection of the proposed building until at least one-half of the cost has been paid or pledged.

At the conclusion of these reports from committees, the association adjourned to meet at the parlors of the Dwight Place church next week Monday, November 4, at 7:30 p. m. Immediately after the supper given at that time the ladies of the City Missionary association. At that time the annual reports by Rev. Mr. Mossman, Miss Hume and other of the mission workers will be presented, and all interested are invited both to the supper and to the public meeting afterward.

OLD HIRAM LODGE.

Some three hundred members of the Masonic fraternity attended the regular communication of "Old Hiram" No. 1, last evening, it being the occasion of a visit of Grand Master Warren, Deputy Grand Master Woodford, to witness the work in the third degree. A. W. Mattoon being received into membership in Hiram lodge, a goodly number of prominent members of the order were present from this city and adjoining towns. The work in the third degree was finely exemplified, much interest was added to the occasion by the rendering of several selections by the Masonic Glee club.

After the close of the lodge the brethren adjourned to the banquet hall, where a fine collation was enjoyed. Addresses were made by Grand Master Warren, Deputy Grand Master Woodford, Past Grand Master Luke A. Lockwood, Honorable Lynde Harrison, Dr. Hutchison, Judge Bryant of West Haven and others.
